

December 3, 2024

Dear Dr. Wei,

Re: <https://pubs.acs.org/doi/10.1021/acs.est.3c00272>

CONGRATULATIONS! I'm delighted to inform you that your manuscript "Separating Daily 1 km PM2.5 Inorganic Chemical Composition in China since 2000 via Deep Learning Integrating Ground, Satellite, and Model Data", published in *Environmental Science & Technology* in 2023, has been selected as the third joint runner-up in the category 'Environmental Science' in the **2023 Environmental Science and Technology Best Paper Awards**. On behalf of the journal's editors, I would like to congratulate you on this outstanding accomplishment. Please do share this information with your co-authors.

We will be announcing the winners of the 2023 Best Paper Awards in Issue 50 of *ES&T*, with a publication date of Tuesday, December 17, 2024. The announcement will be made on the front cover of the journal and in an editorial.

Once again, congratulations on your accomplishment and thank you for publishing your best work in *ES&T*.

Sincerely,

Julie Zimmerman

Editor-in-Chief  
*Environmental Science and Technology*
